DECLARATION

REGARDING THE STUDY MATERIAL FOLLOWED BY THE SCHOOL.

1. The school follows the curriculum designed by CBSE.
2. The study materials provided to the children are fully based on the curriculum developed by CBSE.
3. Such study materials are prepared, developed and printed by DAV Publication Division, DAV CMC, New Delhi.
4. Those study materials are meant for the classes LKG to Std VIII.
5. Such study materials are in-house materials and are provided at a very low cost in comparison to the private publishers' books to the students of different classes.
6. DAV is having 1000 plus institutes across the country and so the in-house study materials are printed in large number which further reduces the price of the same.
7. The in-house developed materials are commonly developed for the students of all DAV public schools functioning across the country.
8. DAV is having one unit called DAV Centre for Academic Excellence which is involved in research and development of the study material in the light of NCERT/ CBSE curriculum which aims to achieve academic excellence with minimum bearing on the students.
9. The students' mobility from one DAV school to another DAV school of two different locations also facilitate the parents due to having common syllabus and study material.
10. The study materials are very much students friendly and therefore the students understand the concept easily.
11. The study materials so provided by DAV Publication Division are displayed on the school's website along with the price of the same for information to all stakeholders.
12. The books published by NCERT for classes IX to XII are strictly followed in the school and the students are not compelled to purchase reference books.
13. It is further mentioned that none of the contents of the study material is objectionable and hurts the feeling of any class, community, gender or any religious group of the society.
